## *Your Premier Planning Experts!*

*Hello and Welcome to Destiny Travels, we are available to assist with all your Honeymoon planning and travel arrangements. We can help you find the best way and at the best price for flying relatives to and from their destinations, finding hotel rooms that will make their stay a joy and rentals cars. We design and coordinate local destination weddings, ranging from a secluded bed and breakfast or a private estate to a beach wedding down the breathtaking North Carolina coast or the local beaches. Our Destination Wedding services are often covered by our Wedding Consulting and Couture service tiers. We are also available for destination wedding planning in other regions of the United States, Mexico and the Caribbean; out of respect for my local clients, destination coordination and travel is on a limited basis.*

*Our mission is to provide you with everything to make the most comprehensive and complete planning and travel services so that you can have the adventure of a lifetime that is exciting, comfortable, and worry-free. We look forward to showing you the world! Check out our travel web site at [www.yourdestinyvacations.com](http://www.yourdestinyvacations.com). You will be happy that you did.*
